

NEW! 26 OZ SPORTS BOTTLE

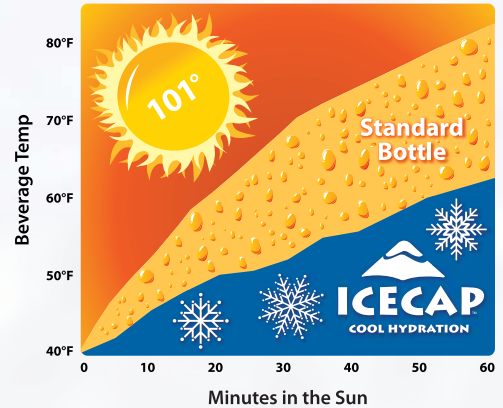

Introducing a new way to win the battle against warm temps. The **ICE CAP** uses a re-freezable core to keep your beverage cool.

Nobody likes drinking warm water during a workout. The **ICE CAP** bottle can hold off warm temps long enough to provide cool refreshment for your workout.

Benefits

- Fits most bottle cages
- Easy to grip and easy to squeeze.
- Maintains temps up to 12 degrees cooler than traditional bottles.
