Tenant Link Inc./Let's Party!

We coordinate Commercial Real Estate Broker Promotion Events, Medical Building Grand Openings and Upscale Open Houses for Law Firms and Design Agencies.

We can be involved from creative concept of the event to invitation design, printing and collecting RSVP's to Food, Entertainment, Valet - whatever the event requires.

Our background in Commercial Real Estate Management & Leasing gives us the knowledge to handle these events beyond the realm of the average catering company. Below and on the following pages are examples of ideas for events with food menus. Each event is custom catered to your needs as a Broker, Property Manager, Asset Manager and/or Building Owner.

"For the past seven years Jennifer Glenn with Tenant Link Inc./Let's Party! has coordinated our ground breakings, building openings, broker events and most recently our holiday company party. Having her on our team relieves us of a huge amount of stress, and our events have all been well attended, fun and successful."

Of particular note is our Vendor Appreciation Event last year, for which Jennifer coordinated with our restaurant tenants for the catering and handled all the details of their participation. This was a win/win for both groups. Do not hesitate to contact Jennifer for assistance with your next event."
